APPLICATION PROCEDURE

This is the criteria in respect of processing prospective applications for the various grades at Vredelust Primary School. Applications are prioritised as follows:

- Vredelust Pre-primary (grade R) learners are given preference for grade 1.
- There are currently no feeder areas as designated by the WCED. We accept applications from all areas, to ensure that the school is as diverse as possible.

Please note:

- Applications are not **NOT** dealt with on a first-come, first-served basis.
- Submission of an application does **NOT** guarantee a successful application outcome.
- Siblings are NOT GUARANTEED a space. Please note: Sibling, only includes brothers and sisters, not cousins, nieces and nephews
- We do not have any feeder schools.

For grade 1, preference is given to learners turning 7 in the year of admission, which is the compulsory school-going age and for grade R, preference is given to learners turning 6 in the year of admission. We do not have a class for learners who turn 5 during the year (pre- Grade R)

Please note:

- We always receive more applications than we can accommodate, so parents must apply to more than one school and must not just assume they will be accepted at Vredelust Primary School.
- Your child's application will not automatically get carried forward to the next year. You need to re-apply for subsequent years if your application is unsuccessful.
- **Incomplete applications will not be accepted or processed.**

Certified copies of the following documents must be loaded onto the WCED website, to complete your application:

- Proof of residence (Municipal account / lease agreement – an affidavit will not be accepted as proof of residence)
- A certified copy of the learner's birth certificate
- A certified copy of the learner's clinic card
- Certified copies of both parents ID / Passport
- Non-SA Citizens must produce a valid certificate of residency permit / study permit for learner and both parents.
- The additional documents available on our website to provide your employment details.

Parents are requested to **NOT PHONE OR EMAIL THE OFFICE** to enquire on the progress of your application. Please check your profile on the WCED, as dates are determined by the WCED.before. Constant interruptions only slow down the process. Remember, you are one of a few hundred applications that the school will receive and needs to work through

Please check our website to obtain the additional forms for submission with your application.
